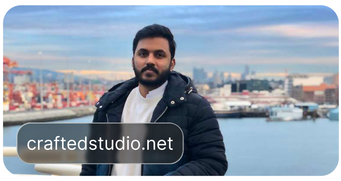
Tirumala Babu Ch UI/UX Designer

tirumalab0@gmail.com | LinkedIn | Portfolio



Products I worked on.

Dive.io | Telebu join | Kore.ai | Sportstechlive

Interests

Designing | Gaming | Illustrating | Traveling

Built PuffyUI : A React component library I designed and built end to end, from the components and mascot to the site and the shop. Live at puffyui.com

Work Experience 8+ years

Sportstechlive
2022 - now

UI/UX Designer

Leading the redesign efforts for the Sportstechlive app and website. - Designing interfaces for mobile, tablet, and web. - Collaborating with a 14-member team to enhance user experience across gaming and fitness apps. - Redesigning the Home page and product pages for Sportstechlive.

StudioX
2021-2022

Product Designer

Designed Dive: a virtual team bonding platform. - Created engaging interfaces for games like Poker and Draw Party. - Collaborated with 4-member team and product managers.

Kore.ai
2020-2021

Product UI Designer

Worked on mobile UI for Kora and chatbot platforms like HR Assist and Bank Assist. Designed components for the Kora Design System. Collaborated with an 8-member product and design team.

Telebu
2018-2020

UI/UX Designer

Designed key products including Tabiib, TelebuJoin, and Wanasa Time. - Participated in full design cycle, research, wireframes, and high-fidelity mockups. - Played a key role in rebranding from SMSCountry to Telebu.

Gaian Solutions
2017-2018

UI Designer

Designed company website and cricket scoreboard interfaces. Created marketing templates in collaboration with internal teams.

Blueberry Digital Labs
2016-2016

Graphic Designer

Designed brochures, catalogues, and brand content. - Worked on high-fidelity mockups and photo editing tasks

Freelancer

Graphic Designer

Emphasized branding through the development of logos, business cards, and digital assets. Collaborated with a team of four members on web and mobile design projects.
